For the ocean, for life

Seafood connection

Seafood Connection is a leading seafood company in Europe and part of the Maruha Nichiro Group since 2013. As such, we benefit from the knowledge and resources of the world's largest seafood company, with a turnover of 9 billion USD and present in every geographic market worldwide. Wherever seafood is harvested or consumed, Maruha Nichiro is involved. At Seafood Connection we support our customers to achieve their goals by benefiting from this worldwide network and we take pride in attention to every detail of the supply chain process.

Thanks to our global connections we can offer a wide range of Crustaceans species such Black Tiger shrimp, White Leg shrimp, Fresh Water shrimp, Cocktail shrimp, Argentine Red shrimp and Cocktail shrimp from Asia, Central- and South America. Contact our office to learn about the latest market trends, newly introduced products and best offers in the market.
